FURTHER SUPPLEMENT TO PETITION FOR RULE MAKING

Champlain Communications Corp. ("Petitioner"), the licensee of Station WLFE-FM, St. Albans, Vermont ("Station"), by its attorneys hereby further supplements its Petition for Rulemaking, dated January 30, 2004, wherein it requested the amendment of the Commission's FM Table of Allotments, in Section 73.202(b) of the Commission's Rules, to add Channel 272C3 at Grand Isle, Vermont, delete Channel 272A at St. Albans, Vermont, substitute Channel 271A for Channel 272A at Tupper Lake, New York, modify the license of the Station to specify operation on Channel 272C3 at Grand Isle, Vermont, and modify the license of Station WRGR(FM), Tupper Lake, New York. to specify operation on Channel 271A at Tupper Lake, New York. On August 6, 2004, Petitioner supplemented the Petition for the purposes of: (i) modifying the proposed Tupper Lake, New York channel substitution from Channel 271A to Channel 271C3 together with a change in the reference coordinates for the Tupper Lake allotment, as modified, and (ii) submitting a statement of the licensee of WRGR agreeing to Petitioner's proposed reference coordinate change for WRGR. In support thereof, Petitioner states as follows.

By this Further Supplement, Petitioner wishes to inform the Commission of a change in the requested referenced point for Channel 271C3 at Tupper Lake, New York. The requested reference point is 44° 07' 21" North Latitude and 74° 31' 52" West Longitude, which replaces the previously proposed referenced coordinates of 44° 09' 30 North Latitude and 74° 28' 21" West Longitude. Attached hereto is a further statement from Radio Lake Placid, Inc. ("Placid"), the licensee of WRGR, confirming its agreement to the revised reference coordinates for WRGR.

WHEREFORE, for the foregoing reasons, Champlain Communications Corp. respectfully requests that the Commission grant its Petition for Rule Making, amend Section 73.202(b) to add Channel 272C3 at Grand Isle, Vermont, delete Channel 272A at St. Albans, Vermont, substitute Channel 271C3 for Channel 272A at Tupper Lake, New York, modify the license of the Station to specify operation on Channel 272C3 at Grand Isle, Vermont and modify the license of Station WRGR(FM), Tupper Lake, New York to specify operation on Channel 271C3 at Tupper Lake, New York with the reference coordinates as specified herein.

Respectfully submitted,

Dear Mr. Silberberg:

This is intended to supplement my letter to you, dated August 6, 2004, wherein Radio Lake Placid, Inc. ("Placid") confirmed its agreement with Champlain Communications Corp. ("Champlain") concerning the FCC petition for rulemaking filed by Champlain to change the output frequency of Station WLFE-FM to Channel 272A and to change its community of license to Grand Isle, Vermont.

Placid wishes to confirm a change in the reference point, for purposes of Section 73.202(b) of the FCC's Rules, for Station WRGR(FM), Facility ID No. 56078, Tupper Lake, New York, on Channel 271C3. In place of the coordinates 44° 09' 30" north latitude and 74° 28' 21" west longitude, the reference point coordinates should be 44° 07' 21" north latitude and 74° 31' 52".

Except as stated herein, the terms of our August 6, 2004 agreement are ratified and confirmed.

Very truly yours,

Edward S. Morgan
President
